# Poker Run

## Fly. Ride. Drive. Walk.

Fire up that engine and put some miles on those wings. Pull the cover from your cool car and put a few miles on it. Put in a liter of petro in your Vespa scooter and let 'er rip. However you want to do it, join ECOPA and Airspace Place for a fun summer event.

### Card Stations: Open 10AM to 2PM:

- AKR Akron-Fulton, Hangar 19/20
  - POV Portage County, FBO
  - TSO Carroll Country, restaurant
  - PHD New Philadelphia, EAA Hangar
  - 3G3 Wadsworth FBO
- End at AKR--

### How it works:

#### Best hands win cash or other exciting prizes!

Cost: \$10.00 per hand. There will be a card station at each of the 5 airports shown. Start at any airport and visit any or all in any order you wish. Just make sure you END at Akron-Fulton for food and prizes. You can visit the airports by airplane (who would have guessed that one) car or motorcycle. Card stations will be manned at each location from 10AM to 2PM. Don't have time to visit all the airports? You can buy 5 cards at AKR prior to 2PM. There will be prizes for for best and worst hands. No despair, loser---You can purchase (1) Joker's Wild Card for an additional \$5.00 at completion for that optimistic winning hand.

### WX: Go or No Go?

In order for this event to be considered a "GO", the conditions must be VFR for the entire time at all card locations. This means if one location is socked in, the whole event does not occur and will be postponed until the rain date. If dubious--call Joyce or Stephanie.
